

US 6 Bridges Design Build Project

PROJECT NO. BR 0061-083

Subaccount Number 18838 (CN)

RE: Release of the Request for Proposal Addendum No. 1

Dated November 5, 2012

To: Shortlisted Proposers

The accompanying CD contains the Project's official release of the Request for Proposals Addendum No. 1, dated November 5, 2012. These documents will also be posted on CDOT's secured SharePoint site and notification provided to the contact person from your firm identified in your Letter of Interest or as may have been amended in your SOQ submittal. In addition, these documents will be published on the CDOT project website.

All questions with regard to the RFP shall follow the process identified within the RFP.

A handwritten signature in blue ink, appearing to read "Kevin Sullivan".

Kevin Sullivan, Project Director
Colorado Department of Transportation
Region Six
