## Funding and Next Steps

### Costs and Funding

- Project cost estimate: \$100 million (year 2010\$)
- Planned funding: \$77 million (year 2010\$)
- CDOT and Lakewood actively pursuing additional funding sources

#### Next Steps

If construction project approved

Actively pursue additional funding (unknown duration)

*If construction project is not approved, no project would occur or further environmental analysis would be required* 

Once adequate funding is identified

Final Design (typically 12 to 18 months)

# Right of Way Acquisition (typically 18 to 24 months)

#### Construction (typically 1-2 years)

Schedule unknown and dependent on Decision Document and funding
