

Historic Properties

Section 106 of the National Historic Preservation Act of 1966 and Section 4(f) of the Department of Transportation Act of 1966 require FHWA and CDOT to consider and mitigate effects of their projects on historic properties.

US 6 and Wadsworth project area includes:

- Nine individual potentially historic properties
- Two potentially historic districts

Properties and districts embody distinctive architectural characteristics of their period of construction.

Historic property designation does not restrict private property owners from developing or altering their properties.
