

Noise Meeting Summary Report

APPENDIX G

Written Comments

Noise Meeting Comment Form

First Name: [REDACTED]

Last Name: [REDACTED]

Address: [REDACTED]

City: Lakewood

Zip Code: 80214

Email Address: [REDACTED]

Yes, add me to the US 6/Wadsworth mailing list
(already on it, I think)

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?

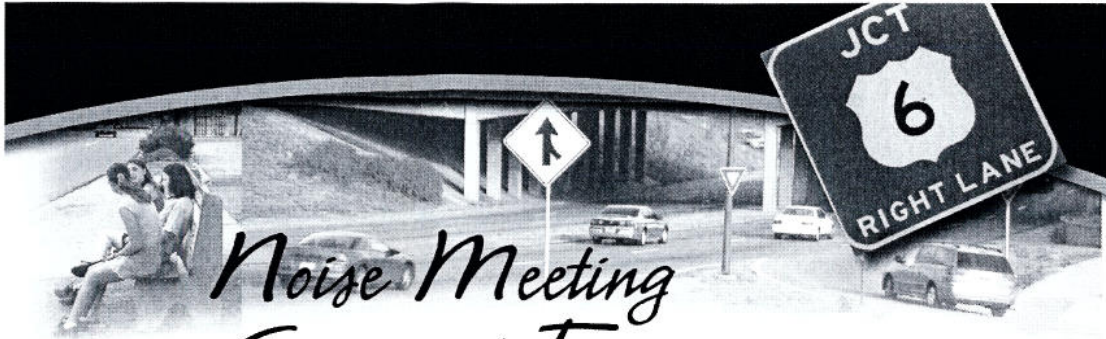

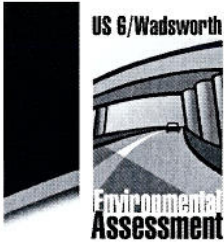

Please consider more absorptive (less reflective) materials or surface treatments on both sides of the wall as a longer reflective surface on the outside of the Hwy. Noise wall changes noise impacts from the frontage road traffic

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

Yes - Please consider community input on noise wall aesthetics, again on both sides, and mindful of long term maintenance

Please provide any additional comments here.

Concerned about "ideal" 2010-2012 construction timeline overlapping with the RTD West Corridor construction (the nightmare of having Wads choked at the same time as Sheridan + Garrison is unacceptable)

Noise Meeting Comment Form

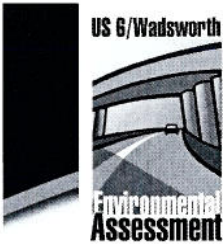

First Name: [redacted] Last Name: [redacted]
 Address: [redacted] City: 226ewood Zip Code: 80116
 Email Address: _____ Yes, add me to the US 6/Wadsworth mailing list

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?
 Extend the noise walls westward to go over the Garrison Street intersection. I was not persuaded that you understand the noise coming off of the overpass. Your proposal comes up short and you do not seem willing to address that problem.

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

Please provide any additional comments here.
 Your study stopped too soon, short of a meaningful solution!

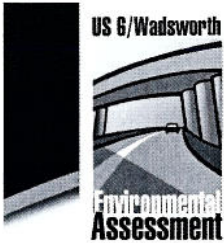

First Name: [Redacted] Last Name: [Redacted]

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?
Put a Light so you can make a Left
(going south) from Highline onto Wadsworth

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

Please provide any additional comments here.

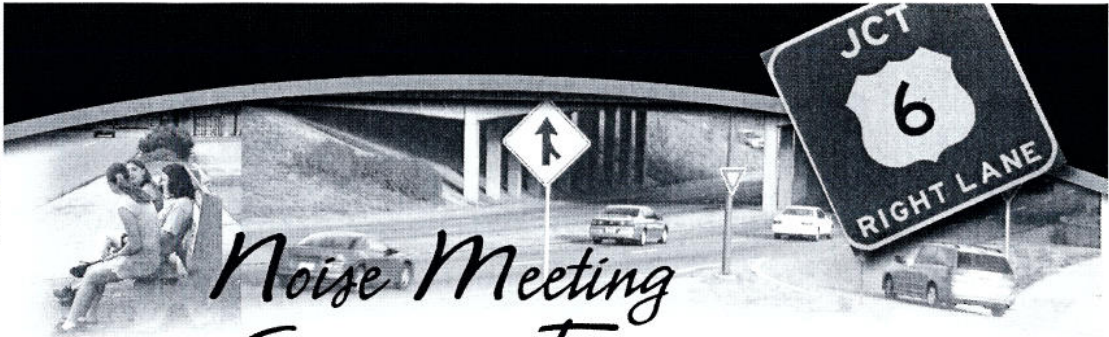

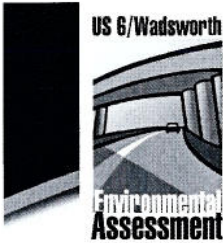

First Name: [redacted] Last Name: [redacted]
 Address: [redacted] City: LAKWOOD Zip Code: 80214
 Email Address: [redacted] Yes, add me to the US 6/Wadsworth mailing list

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?
Your preliminary plans look good.

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

Please provide any additional comments here.

Noise Meeting Comment Form

First Name: [redacted] Last Name: [redacted]

Address: [redacted] *LK* Zip Code: _____

Email Address: [redacted] Yes, add me to the US 6/Wadsworth mailing list

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?

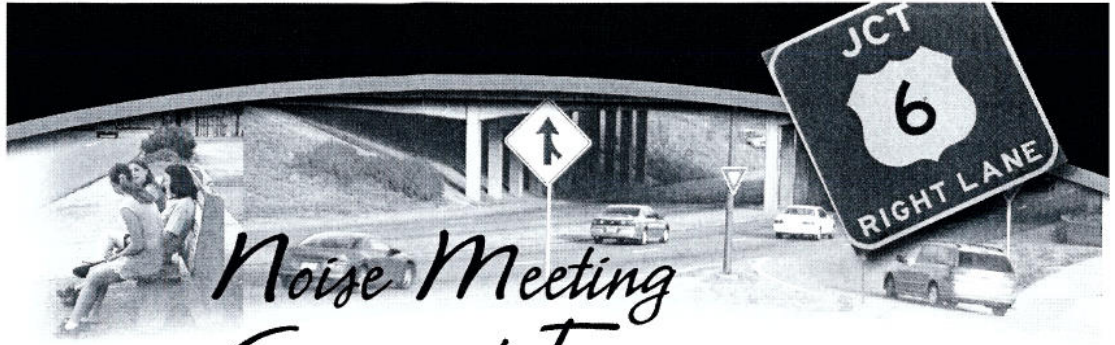

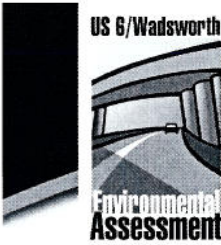

*off What is going to happen to snow
both Ave? There will be a retaining
wall - so they will not be able to plow
on to frontage rd then to our driveway?*

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

*concern about safety of Resident while
they are plowing front roads*

Please provide any additional comments here.

*SEYED To Follow up
with RB
Maintenance
4-4-08*

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No *yes, yes, yes*

Comments?
Has been necessary for years, Has had negative impact on quality of life & the prices for resale of homes close to 4th

Do you have any comments about the aesthetics/appearance of noise walls along US 6?
///

Please provide any additional comments here.
The sooner, the better. Some of us have waited a long time for some relief. Do something about motor cycles. They are beyond acceptable,

Noise Meeting Comment Form

Address: [redacted] City: Atwood Zip Code: 90226

Email Address: _____ Yes, add me to the US 6/Wadsworth mailing list

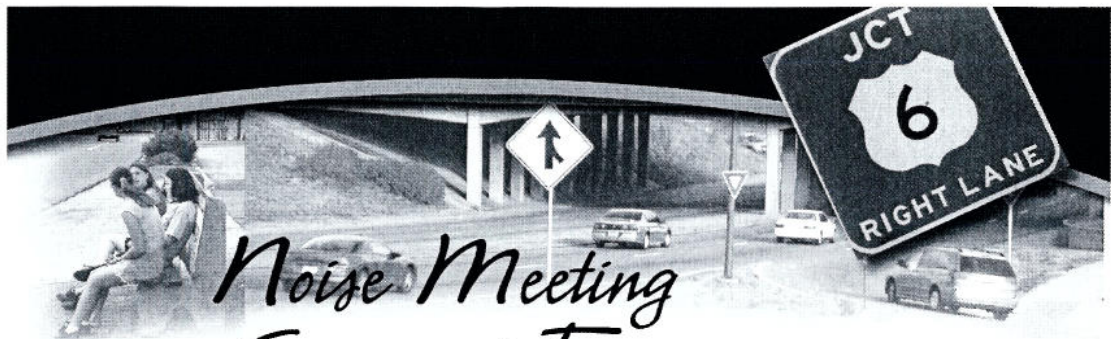

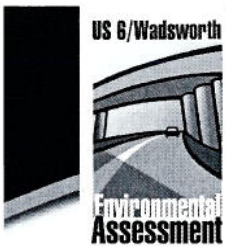

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No Absolutely

Comments?
We have tried for ages to get noise reduction measures. I worked with the 6th Ave Summit Committee with Ramsey Johnson trying to get some help with this. Dudley St had the highest level of noise which was shown on the noise study done for this committee. We hope this will be done soon.

Do you have any comments about the aesthetics/appearance of noise walls along US 6? as many of us have waited for a long time, everything is noisy.

Please provide any additional comments here.

Please address the ridiculous noise level from the many motorcycles ~~or~~ racing up & down 6th.

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?
 Our house is just north of the proposed frontage road at lot 11 Ave (North) exit, so we definitely support the construction of noise walls.
 They really are essential for residents.
 We support noise walls continuing north on Wadsworth to Highland Dr. also.

Do you have any comments about the aesthetics/appearance of noise walls along US 6?
 Landscaping & visually interesting design are very important.
 Natural-looking & effective are key.

Please provide any additional comments here.
THANK YOU for listening to our concerns - We are so pleased with the new plan for the Frontage Road on North lot 11 Ave onto Northbound Wadsworth - Because it does not compromise our home or back yard.
 Again, thank you for listening & providing creative & thoughtful solutions.

[REDACTED]

Noise Meeting Comment Form

First Name: Kathy Last Name: Schmidt
 Address: 680 Park Lane City: Lakewood Zip Code: 80214
 Email Address: ~~kschmidt~~ already on list Yes, add me to the US 6/Wadsworth mailing list

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?
Yes - noise walls plan makes sense to us.

One comment re: safety + noise walls: please be sure that noise walls along US6 at entrance points (on-ramps) don't extend too far - ~~that~~ my concern is that some noise walls last so long that people entering the highway (like at Sheridan + US 6 Eastbound) and drivers already on the highway can't see each other until both parties have to scramble to adjust. This ~~lowers~~ lowers the effectiveness of longer on-ramps.

Please provide any additional comments here.

I would like the EA team to re-consider ~~adding~~ adding no noise control along Wadsworth's NE quadrant. There are 4 reasons we believe mitigation is necessary for our neighborhood: ① two additional lanes on Wadsworth - an invitation for much more traffic. ② creation of a frontage road along a stretch of Wads that previously had none. ③ said frontage road being two-way and ④ said frontage road curving into previously residential area - significant encroachment.

This noise mitigation should exist and should be on the E side of the frontage road, as mitigation btwn wads + frontage road would be pointless. ~~seemingly~~ Thank you.

Noise Meeting Comment Form

First Name: [redacted] Last Name: [redacted]
 Address: [redacted] City: Lakewood Zip Code: 80226
 Email Address: [redacted] Yes, add me to the US 6/Wadsworth mailing list

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?

1) They make the noise loud 1/2 - 2 blocks away.
 My property is at a higher elevation than 6th Ave
 2) On the south side of 6th Ave west (slow lane) the snow & ice builds up - requires removal every snow storm.

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

1) The noise walls are ugly like a funnel & the view is ugly
 2) Driving on highway is awful

Please provide any additional comments here.

to block noise
 1) Use scrubbers
 2) or something that absorbs noise not just displacing it.
 3) cut the speed limit back to 55 mph - this is a residential neighborhood.

The original comment form was mangled in the mail. The following text records the comments on the form.

Email Address: [REDACTED]

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? no

Comments?

1. They make the noise loud 1 ½ blocks away. My property is at a higher elevation than 6th Avenue.
2. On the south side of 6th Ave. West (slow lane) the snow and ice builds up – requires removal every snow storm.

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

1. The noise walls are ugly!
2. Driving on highway is awful like a tunnel and the view is ugly.

Please provide any additional comments here.

1. Use scrubbery [sic] to block noise.
2. Or use something that absorbs noise not just displacing it.
3. Put the speed limit back to 55 mpg – this is a residential neighborhood.

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?

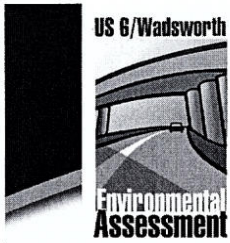

I AM THE MANAGING AGENT FOR THE 6TH AVENUE BUSINESS CENTER ON THE NORTH SIDE OF 6TH AVE. JUST WEST OF WADSWORTH ON THE FRONTAGE ROAD. WE PREFER EXPOSURE TO 6TH AVENUE SINCE WE ARE A COMMERCIAL ENTERPRISE. WE HAVE NOT RECEIVED COMPLAINTS FROM TENANTS ABOUT NOISE LEVELS ALONG 6TH AVE.

Do you have any comments about the aesthetics/appearance of noise walls along US 6?

ONLY THAT THEY HAVE SURFACE WHICH CAN EASILY BE CLEANED OF GRAFITTI
HAVE CONCERN ABOUT ICE FORMATION ON NORTH SIDE OF WALL CLOSE TO FRONTAGE ROAD ON NORTH SIDE OF 6TH.

Please provide any additional comments here.

HAVING SEEN THE PREFEPPED TIGHT DIAMOND WITH LOOP PLAN FOR THE FIRST TIME AT JUNE 4, 2008 MEETING WE NOTED PROBABILITY OF LOSS OF ONE OR TWO OF OUT BUILDINGS TO ACCOMODATE REROUTED ENTRANCE TO FRONTAGE ROAD ON THE NORTH SIDE OF 6TH WEST OF WADSWORTH BUT SUPPORT TWO WAY TRAFFIC REORIENTATION. WE HAVE SCHEDULE MEETING WITH YOUR REPRESENTATIVES JUNE 24, 2008 AT 3:00 P.M. AT JEFF COUNTY ASSN. OF REALTORS TO DISCUSS DETAILS AND POSSIBLE MODIFICATION OF PROPSED PLAN TO SAVE TAKING OF OUR BUILDINGS WHILE KEEPING NEW TWO WAY TRAFFIC ADVANTAGE.

Do you support the construction of noise walls along US 6 as part of improvements to the US 6 and Wadsworth Boulevard interchange? Yes No

Comments?
 I live only 3 houses north of the service road on the north side of 6th ave. I've lived here 30 yrs. and my neighbors + I have waited at least this many years for a noise wall to be erected

Do you have any comments about the aesthetics/appearance of noise walls along US 6?
 I'm curious/anxious to know what the walls will look like. Hopefully, the design will compliment the neighborhood. (I've recently (April 9th) had eye surgery, so my ~~waiting~~ isn't too legible - sorry!

Please provide any additional comments here.
 The large postcard re: the meeting on 6/4/08 re: the noise walls along W. 6th was the very 1st mtg. announcement re: the interchange construction and noise walls I've need. I understand several mtgs. were held previously, but very few received those announcements. I do not have a computer or e-mail, but I'd certainly appreciate being notified by mail.
