

**NOTICE TO CONTRACTORS**  
**Mandatory Pre-Bid Meeting**  
**4<sup>th</sup> St. (SH 96A) Bridge Over the Arkansas River**  
**And Pueblo Railroad Yard**  
**Pueblo, Colorado**

The Colorado Department of Transportation (CDOT) is planning to construct a replacement bridge for 4<sup>th</sup> Street (SH 96A) over the Arkansas River and Pueblo Railroad Yard in Pueblo, Colorado. The new bridge will be twin 1137' long cast-in-place concrete box girder structures, each 54' wide. Construction will be on falsework for end spans and balanced cantilever segmental with form travelers over the railroad yard and river. Roadway approaches, drainage improvements, and landscaping are also included. The advertisement date is June 28, 2007 with an 8 week advertisement period. **A mandatory Contractor Pre-Bid Meeting will be held Wednesday, July 18, 2007** at 9:00 AM at the Pueblo Convention Center, 320 Central Main St., Pueblo Colorado, 81003. The meeting includes project overview and a question & answer session. All interested contractors that will submit a bid must sign in between 8:30 AM and 9:00 AM and are required to attend the entire meeting. Please **RSVP by July 13, 2007** to the contact shown below identifying those from your organization who will attend. For additional information, contact: Karen Rowe, Resident Engineer, CDOT Region 2, 902 Erie Ave., Pueblo, CO 81001; PH: 719-546-5438, FAX: 719-546-5702.
