

Colorado Department of Transportation

Spotlight Event for Major Upcoming Projects I-70 East & C-470

**October 22, 2014
4:00pm—7:30pm**

The future of CDOT's largest planned highway construction projects is being talked about now. Come join the conversation and get an inside look at what to expect as these larger projects begin to gear up. This is an excellent opportunity to get the latest available project information and to strengthen relationships with the local business community.

RSVP Today! <http://tinyurl.com/i-70east>

When: October 22, 2014

Registration: 4:00 pm – 4:30 pm

Presentations: 4:30pm – 6:30pm

Networking: 6:30pm – 7:30pm

What: An information session including project presentations, CDOT's approach to DBE/ESB goal setting, and a prime contractor panel. This session will be followed by a meet-and-greet where businesses can network with team members and key stakeholders.

Where: Colorado Convention Center, Denver CO

Who: CDOT project engineers and small business specialists, project planning team members, general contractors, industry stakeholders, DBE/ESB certified firms, as well as other small businesses and sub-contractors.

RSVP: <http://tinyurl.com/i-70east>. Please RSVP online to help us plan for your attendance. Walk-ins are welcome.

Prime Contractors: RSVP online if you wish to reserve a display table at the networking session. Tables are limited and will be assigned on a first-come, first-serve basis so RSVP today!

Questions: Call the Connect2DOT Program at (720) 624-6728 or email info@connect2dot.org.

Assistance: If you need Spanish language translation or special assistance at the session, call CDOT at (303) 757-9060.
