

Come learn about the US 6 Bridges Design-Build Project with focus on Barnum Park improvements

The US 6 Bridges Design-Build Project includes improvements along US 6 from approximately Knox Ct. on the west through the existing US 6 bridge over the BNSF Railroad on the east, with reconstruction of bridges, pavement and walls along with improvements to Barnum Park.

Plan to attend this open house meeting any time between 6 and 7:30 p.m. on Thursday, Sept. 12, to learn more about the project, meet the project team and provide input on designs for the new dog park and community garden.

Thursday, Sept. 12, 2013

6 - 7:30 p.m.

Barnum Recreation Center

360 Hooker St.

Denver, CO 80219

Information stations you can visit at your leisure will cover these topics:

- ✓ Project overview and schedule milestones
- ✓ Project aesthetics
- ✓ Plan for dog park
- ✓ Plan for community garden
- ✓ Barnum Park improvements
- ✓ Information about upcoming Job Fair

Light refreshments will be served.

To RSVP for the event, to receive additional information about the project, or to request Spanish translation or services to meet special needs, please contact the US 6 Bridges team by phone at 303-585-1916 or by email at jimmy@cig-pr.com.
