Dear Secretary LaHood,

Please find enclosed an updated American Recovery and Reinvestment Act of 2009 (ARRA) section 1511 certification for additional transportation infrastructure investments listed in Colorado's Statewide Transportation Improvement Program (STIP). The public can view the current STIP at: <http://www.dot.state.co.us/Budget/>.

The enclosed certification attachment highlights the ARRA funded projects most recently amended into the STIP and as we continue to add recovery funded projects, we will submit updated 1511 certifications as required.

The attached and subsequent certifications will be available on the Colorado Department of Transportation's (CDOT) website for ease of transparency and accountability. Should you have any questions please contact me at 303.757.9201.

Sincerely,

A handwritten signature in black ink that reads "Russell George". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

THE AMERICAN RECOVERY AND REINVESTMENT ACT:**

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009)) (“ARRA”), I, Barbara O’Brien, Lieutenant Governor of Colorado, hereby certify that the attached infrastructure investments funded with amounts appropriated by ARRA under the headings: “Highway Infrastructure Investment” to the Federal Highway Administration, “Transit Capital Assistance,” “Fixed Guideway Infrastructure Investment,” and “Capital Investment Grants” to the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars.
