

ENVIRONMENTAL RESOURCES

The C-470 Environmental Assessment (EA) will address environmental resources. These can be grouped into three categories: social, economic and natural environment.

SOCIAL

Neighborhoods
Recreational resources
Relocations

Community facilities
Pedestrian trails

Low-income or minority neighborhoods

Visual character

Noise

Bikeways

ECONOMIC

Land Use

Economy

Jobs

Transportation

NATURAL

Air quality
Water quality

Floodplains

Ecology

Wetlands

Wildlife habitat

Geology

Threatened and endangered species

Historical resources

Archaeology

Paleontology

Prime and unique farmlands
Hazardous waste
