

REDLANDS ROUNDABOUT

LEARN MORE AT THE OPEN HOUSE

Please join the Colorado Department of Transportation (CDOT) and Elam Construction for an open house to learn more about the CO 340 (South Broadway) Redlands Roundabout project that is scheduled to kick-off in February.

The Redlands Roundabout project is located at the intersection of Colorado Highway 340 (South Broadway) and Redlands Parkway. This eight month project includes the conversion of the existing signalized intersection to a roundabout, roadway resurfacing, guardrail and drainage improvements and sidewalk construction with ADA improvements.

The open house will provide you with an opportunity to meet the project team and learn about the construction schedule and how it might affect you, and how to sign up for project updates.

Stop by anytime!

Thursday, January 18
4:30 to 6:30 p.m.
Redlands Middle School Cafeteria
2200 Broadway

CO 340 Redlands Roundabout
