

## SH 109 Bridge Project to begin February 27

### PROJECT OVERVIEW

The Colorado Department of Transportation will begin the bridge project on State Highway 109. The contractor chosen for this project is Structures, Inc. This project consists of work on structure M-22-AY carrying SH 109 over US 50, BNSF Railroad, and the Arkansas River. The work includes removing existing asphalt surfacing, class 2 and 3 deck repairs, patching concrete piers, bearing repair corbels, fiber-reinforced polymer wrap, waterproofing membrane, asphalt surfacing, and a mill and overlay on the roadway approaches.

### PROJECT SCHEDULE & LOCATION

Construction will begin on February 27, 2023, and the estimated completion is February 2024. Work will take place on SH 109 between MP 56.38 and MP 56.88.

### TRAFFIC IMPACTS

Travelers will encounter construction operations Monday through Friday, from 7 a.m. to 5:30 p.m. Vehicles will be reduced to intermittent one-lane traffic that will be controlled by a temporary traffic signal in place 24/7.

### CONTACT INFORMATION

Contact the project team with questions or concerns or if you would like to receive construction updates.
