

## CDOT Performs Culvert Improvements on CO 55 & CO 66, in Weld County

### PROJECT OVERVIEW

The Colorado Department of Transportation and American West Construction, LLC. of Denver have scheduled a culvert rehabilitation project along CO 52 and CO 66 in Weld County. The project will include the repair of 2 culverts along CO-66 between Mile Point 49 and 51 and 1 culvert repair along CO-52 between Mile Point 35 and 36.

### PROJECT SCHEDULE

Work is scheduled to begin on December 7th and is expected to last until December 30th.

Normal working hours will be daylight hours from approximately 7 a.m. to 5 p.m., Monday through Friday and may include some Saturday work.

### TRAVEL IMPACTS

- Majority of the work will occur off the roadways, however, delays up to 10 minutes might occur.
- There may be one-lane alternating traffic during the course of the project.
- The speed limit will be reduced to 40 mph through the work zone.
- Lane restrictions will be 12' wide through the work zone.
