

HIGHWAY 52 COALITION

A G E N D A

February 27, 2020

6:00 p.m.

Hudson Town Hall

(50 Beach Street)

1. Welcome/Introductions
2. CDOT Updates
3. PEL 101 Presentation (Muller)
4. SH52 PEL/ACP Updates
5. Urban County Discussion
6. Community Reports & Updates
7. Next Meeting:
 - Date - March 26, 2020
 - Location - ?
 - April meeting will be hosted by Dacono
 - Agenda Items for next meeting:

MEETING SUMMARY

Meeting Title:	SH 52 Coalition
Meeting Date:	February 27, 2020
Meeting Location:	Hudson Town Hall (50 Beach Street)
Summary Prepared By:	Kelly Maiorana, Project Manager, Muller Engineering
Notes Issue Date:	April 30, 2020

The following is our understanding of the subject matter covered in this meeting. If this differs with your understanding, please notify us.

1. Welcome/Introductions

2. CDOT Updates

CDOT provided updates on CDOT projects occurring along SH 52. There were several concerns about the SH 52/CR 59 intersection:

- There was a question if flashing stop signs and rumble strips were going to be installed at this location.
- Coalition asked that CDOT to follow-up on the status of the funding and provide schedule for installation.
- Part of the issue could be a problem with sight distance at this location.
- It seems that users can't get out at this intersection, so they take chances.
- The Coalition would like a response from CDOT at the next Coalition meeting

3. SH 52 PEL/ACP Updates (CDOT)

Chad Hall introduced the project and reviewed the agenda items. He provided an overview of the project limits and schedule.

- Project Team
- Study Area
- Schedule and Milestones
- Project Success
- Project Communication

4. PEL 101 Presentation (Muller)

Kelly Maiorana, SH 52 PEL/ACP Project Manager, reviewed the purpose of a PEL and ACP and discussed the process. Each of the Coalition members were asked for their expectations from the PEL/ACP process which are captured in Table 1 below.

- What is a PEL Study?
- What is an ACP?
- Next Steps after a PEL
- Additional Information

In addition to understanding Coalition expectations, the group discussed ideas for reaching out to the community. The Coalition is interested in the team presenting at smaller community events. These ideas are captured in Table 2 below.

5. Urban County Discussion

- Urban county 200K+
- All municipalities outside the City of Greeley
- CDGB (Block Grant)

6. Community Reports & Updates

- Hudson
 - April 4th Easter Eggs
 - April 4th Founders Day
- Dacono
 - East of I-25 & SH 52
 - 1800 Complex
- Frederick
 - Frederick Way at SH 52
- Keenesburg
 - Development
- Weld County
 - Extension of CR 39
- Boulder County
 - SH 7 bus rapid transit PEL
- Ft. Lupton
 - Would like a traffic camera

7. Next Steps

- Updates for SH 52
 - CDOT website
 - Email coalition for Technical Team members
 - Email coalition for community events

8. Next Meeting

- March 26, 2020 – Fredericksburg
- April 23, 2020 – Dacono
- May 28, 2020 – Keenesburg

Table 1. PEL Expectations Activity: Post-it-Note Responses from Coalition

COMMENT	COMMENT INTERPRETATION
Hazmat alternatives	Develop alternatives to consider hazardous materials trucks along corridor
Continued work relationships with other communities	Maintain working relationships communities along the corridor

SH 52 PEL & ACP

COMMENT	COMMENT INTERPRETATION
Future access to grants	Identify future grant opportunities for projects
One ACP IGA	Prepare one ACP for the corridor
ROW preservation for ultimate build out!!!	ROW preservation for future transportation projects
Highway 52 Shoulders	Standard shoulder width throughout the corridor
Communications that we can pass on to our citizens	Effective project communications that can be shared with interested community members
Foundation for improving safety and the functional integrity of SH 52	Information to lay the foundation for improving safety and the functional integrity of SH 52
Prioritize safety issues; Highway 52 safer to travel on; Safety-oriented,	Prioritize safety issues along the corridor
Make Highway 52 & Glen Creighton safer to cross	Consider safety issues at SH 52 and Glen Creighton
Collaborative, Inclusive, East & West, Multimodal, Proactive, Prepared for next steps, Holistic (ITS, lighting, etc.), To the right on IAP2 Spectrum	<ul style="list-style-type: none"> - Develop collaborative process among stakeholders, CDOT, and other involved parties - Maintain connectivity between the east and west portions of the corridor - Take a proactive and not reactive approach to corridor needs - Identify next steps for transportation projects - Take a holistic approach to transportation needs - Develop a process for public participation to allow for informed decision making

Table 2. Communication Ideas from the Coalition

Board Meetings/ Councils (many of these have a camera for tv/web viewing)
Flyers into utility bills
Pop-up at community Events – <ul style="list-style-type: none"> • National Night Out, Ft. Lupton - August 4th Libraries
Social media <ul style="list-style-type: none"> • Word of Mouth or Next Door

Roadway Issues/Concerns

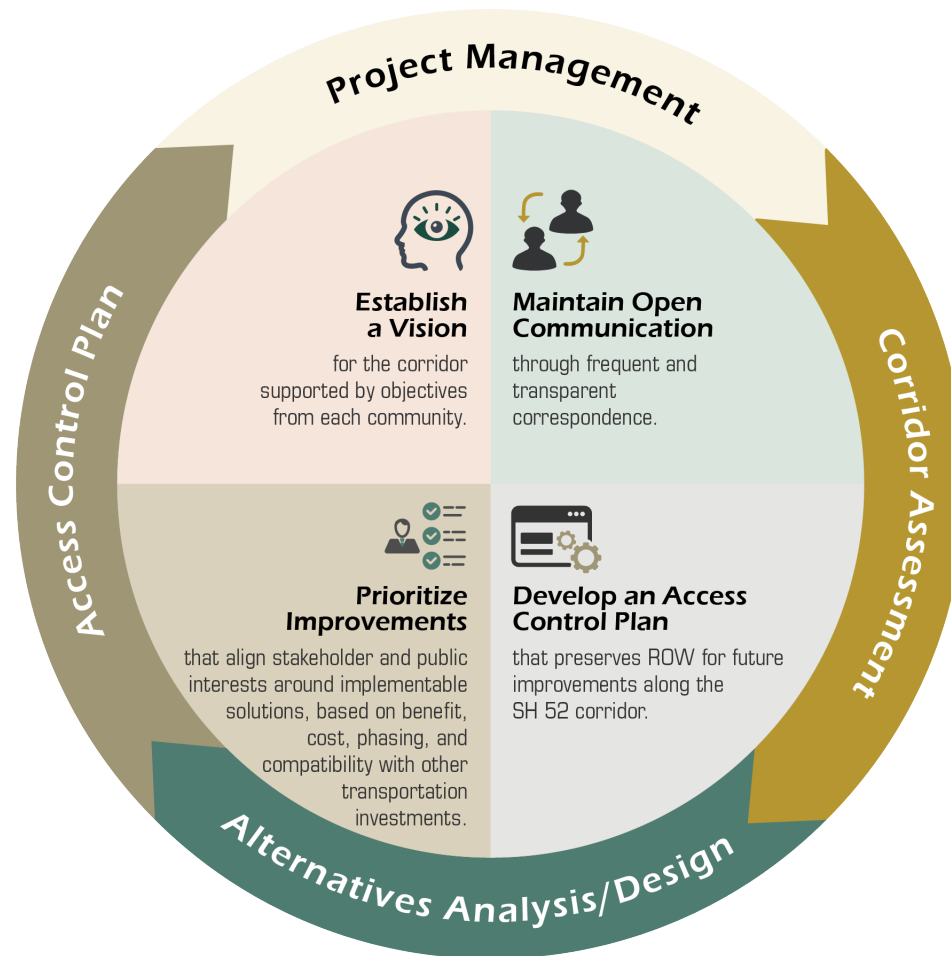

Schedule and Milestones

★ Deliverables

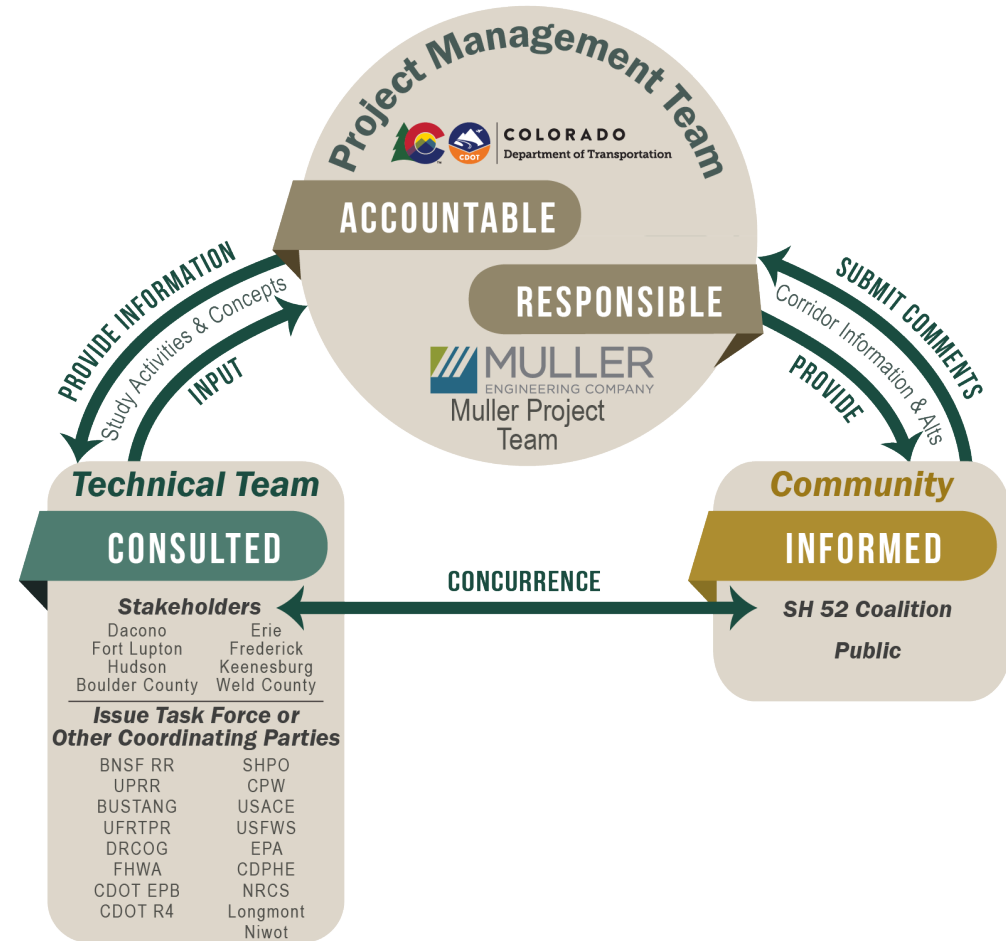

Project Success

Communication

- SH 52 Coalition Meetings
- Technical Team Meetings
- Stakeholder One-on-One Meetings
- Community Panel Meetings
- Public Meetings

Coalition Meeting Schedule

Topic	Date *
Kickoff Meeting	February 2020
Purpose & Need and Public Meeting Planning	June 2020
Evaluation Criteria and Alternatives Screening	November 2020
Corridor Projects	March 2021
Updates and Public Meeting Planning	June 2021
Draft PEL	September 2021

*Subject to change

Technical Team Meetings

- Provide Input to the Project Team
- Anticipate 12 Meetings - April 2020 to August 2021
- Consist of Municipal and County Governments
- Engage Resource Agencies and other Stakeholders

Corridor Local Agencies

Dacono

Fort Lupton

Hudson

Erie

Frederick

Keenesburg

Boulder County

Weld County

Stakeholder One-on-One Meetings

- One-on-one meetings with Local Stakeholders
- Opportunity for Stakeholders to provide input to the PEL and ACP processes
- Provide a platform to discuss and prioritize transportation issues and project implementation
- 20 Meetings to occur in first quarter of PEL Study

Community Resource Panel Meeting

- Six meetings scheduled for the duration of the Project.
- Will be reserved for focus group updates, HOA meetings, Council briefings, Board updates etc.

Public Meetings

- Two rounds of Public Meetings
- Present existing conditions and Purpose and Need
- Present alternatives and recommendations

What is a Planning and Environmental Linkages (PEL) Study

- Develop a vision for corridor
- Establish Existing Conditions
- Define Purpose and Need
- Develop and Evaluate Alternatives
- Prioritize projects and identify funding opportunities

Outcomes to expect from a PEL Study

Developed vision
for the corridor

Understanding of
Existing
Conditions

ROW
Identification

Support and input
from the public

Potential
Improvements
with stakeholder
input

Foundation for a
NEPA Evaluation in
the near future

What is an Access Control Plan (ACP)

- Help regulate access on SH 52
- Communication tool for CDOT and Local Agencies
- Identified future right-of-way (ROW) needs
- Encourages mobility and safety when considering the future development
- Provide guidance for land developers

Next steps after the PEL study

- Transition from PEL to NEPA
- Determining preferred alternative
- Detailed study of environmental resources
- Completion of environmental permitting
- Detailed design
