

## Resurfacing construction on Colorado (CO) Highway 96 from Ordway to Arlington starts July 12

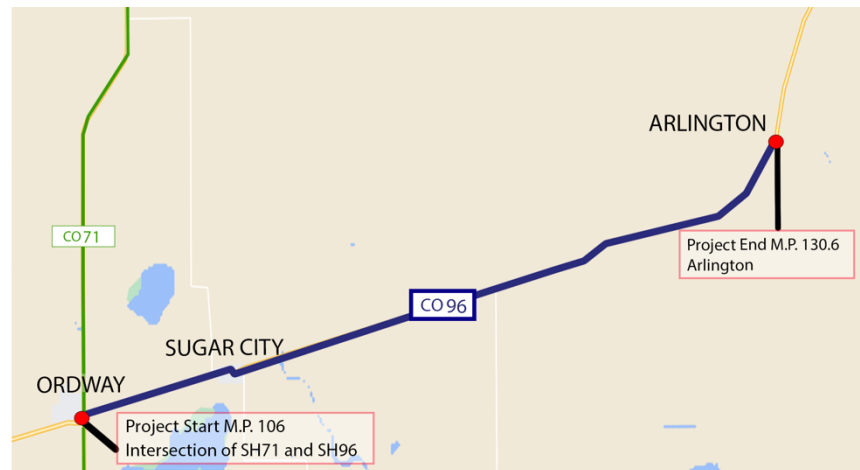

### PROJECT OVERVIEW

The Colorado Department of Transportation and Simon Contractors have scheduled a resurfacing project on CO 96 in Crowley, Kiowa and Otero counties. The project will include asphalt removal and highway resurfacing on CO 96. The project will begin at the intersection of CO 71 and CO 96, Mile Point 106. In Sugar City, ADA ramps will be replaced at the intersection of CO 96 (Adams St.) and Colorado St. The construction will conclude at MP 130.6 in Arlington.

### PROJECT SCHEDULE

Work is scheduled to begin on July 12 and is expected to last until October/November 2021.

Normal working hours will be from 30 minutes after sunrise and 30 minutes before sunset.

### TRAVEL IMPACTS

- Loads wider than **12 feet** will be restricted through the work zone.
- The **speed limit** will be reduced to **40 mph** through the work zone.
- There will be **single lane closures** throughout the course of the project.
- **Delays** are not expected to **exceed 15 minutes**
