— PROJECT ANNOUNCEMENT —

I-270, I-70, & I-25 bridge deck safety improvement project in the Denver region begins early April

Night work, daytime single lane closures, shoulder closures, & flagging expected

CDOT Region 1 (ADAMS, ARAPAHOE, CLEAR CREEK & DOUGLAS COUNTIES) - Work on the bridge deck safety project in the CDOT Region 1 is expected to begin on April 3. Structures Inc. has been selected for this project, with work expected to be completed in the fall.

This project includes installing steel plates to the underside of the bridge decks on five structures in the Denver region. This installation will help prevent falling rubble and emergency bridge repairs.

Project locations:

- Eastbound and westbound on 60th Avenue in Commerce City
- I-70 Spur (Wagner Street) in Strasburg
- Eastbound I-70 over Clear Creek east of Idaho Springs
- Liggett Road over I-25 in Castle Rock

Work will take place Monday through Friday, 7 a.m. to 7 p.m. at the Commerce City, Strasburg, and Clear Creek locations. Night work will take place on the Liggett Road location near castle rock nightly from 8 p.m. to 6 a.m. and intermittently at the I-70 location near Clear Creek. The project requires single lane closures, shoulder closures, and flagging along the various project locations for the safety of construction crews and motorists.

TRAVEL IMPACTS:

- Daytime single lane closures and shoulder closures weekdays on Wagner Street in Strasburg from 7 a.m. to 7 p.m.

- Daytime single lane closures and shoulder closures weekdays in Commerce City on 60th Ave at MP 2 from 7 a.m. to 7 p.m.
- Weeknight single lane closures and shoulder closures on Liggett Road Bridge over I-25 in Castle Rock at MP 182 from 8 p.m. to 6 a.m.
- Intermittent nighttime single lane and shoulder closures on EB I-70 near Clear Creek at MP 244 from 8 p.m. to 6 a.m.

PROJECT & TRAVEL INFO

For additional information about this project, contact the project team.

- Project hotline: (303) 622-0768
- Project email: r1bridgedeck@gmail.com
- Project web page: <https://www.codot.gov/projects/denverbridgedecks>

Travelers are urged to “know before you go.” Gather information about weather forecasts and anticipated travel impacts and current road conditions prior to hitting the road. CDOT resources include:

- Road conditions and travel information: www.COtrip.org
- Sign up for project or travel alerts: bit.ly/COalerts
- See scheduled lane closures: codot.gov/travel/scheduled-lane-closures.html
- Connect with us on social media: Twitter [@coloradodot](https://twitter.com/coloradodot) and Facebook facebook.com/coloradodot

REMEMBER: SLOW FOR THE CONE ZONE

The following tips are to help you stay safe while traveling through maintenance and construction work zones.

- Do not speed in work zones. Obey the posted speed limits.
- Stay Alert! Expect the unexpected.
- Watch for workers. Drive with caution.
- Anticipate lane shifts and merge when directed to do so
- Expect delays, especially during peak travel times.
- Allow ample space between you and the car in front of you.
- Avoid using mobile devices such as phones while driving in work zones.
- Turn on headlights so that workers and other drivers can see you.
- Be especially alert at night while driving in work zones.
- Be patient!

ABOUT CDOT

CDOT has approximately 3,000 employees located throughout Colorado and manages more than 23,000 lane miles of highway and 3,429 bridges. CDOT also manages grant partnerships with a range of other agencies, including metropolitan planning organizations, local governments and airports. It also administers Bustang, the state-owned and operated inter-regional express service. Governor Jared Polis has charged CDOT to further build on the state’s multimodal mobility options.
