PUBLIC INVITED TO HIGHWAY 9 MEETING

SUMMIT COUNTY – The Colorado Department of Transportation (CDOT) is inviting citizens to an open house next week regarding the widening of State Highway (SH) 9 between Frisco and Breckenridge.

It will be held on Tuesday, December 6, at Summit County High School, 16201 SH 9, from 4:30 p.m. to 7:30 p.m. Representatives from CDOT and the consultant, PBS&J, will be available to address questions or concerns about the project, which will widen SH 9 to four lanes from Valley Brook Street in Breckenridge to Swan Mountain Road. Informational boards also will be available for viewing and project information distributed.

The project could begin in the next two to three years, as funding allows.

Reasonable accommodations will be provided for persons with disabilities or language barriers. Please call Darren Evan at PBS&J, (800) 497-5529, if you require such assistance.
