

### CDOT begins bridge repairs at the I-25 and I-76/I-70 interchanges on April 14

*This critical repair project will improve structural integrity and maximize driver safety*

#### DESCRIPTION

The Colorado Department of Transportation (CDOT) and contractor, ABCO Contracting of Denver, will begin repairing 12 bridges at the I-25/I-76 and I-25/I-70 interchanges on April 14. The project entails performing bridge deck repairs, replacing expansion devices and roadway panels, repairing damaged bridge rails, and applying a polyester concrete overlay to 9 structures for added strength and stability.

#### SITE LOCATIONS

Repairs will be performed on 11 structures on the I-25/I-76 interchange and on one structure at the I-25/I-70 interchange (see table).

#### SCHEDULE & TRAVEL IMPACTS

This project will begin on April 14 and is expected to last until Oct. 2019. Work will be performed **Sunday to Thursday nights from 7:00 p.m. to 5:30 a.m.** to minimize travel impacts. Some delays should be expected, as well as the following:

- Full lane closures and resulting detours will be in place for bridges 5, 6, 10, 11 and 12 (see table) during working hours overnight. Lanes will reopen by 5:30 a.m.
- Detour signage will be posted to safely guide motorists through the construction zone throughout the duration of the project.
- On and off-ramp lane closures, including shoulder closures are expected.
- Width restrictions of 12 feet will be imposed.
- Signs and automated signals will redirect traffic during construction activities.
- Speed limits will be reduced for driver and crew safety.
