

# I-25/Cimarron Interchange Design-Build Project

## Project Goals

1. Maximize overall safety, capacity and operation of the interchange and the surrounding transportation network within the Project budget.
2. Complete project construction to be fully operational before July 1, 2017.
3. Minimize impacts and inconvenience to the community, motorists, businesses, downtown and the public during construction.
4. Achieve an aesthetically-pleasing design compatible with current and future amenities and enhancements in and around the interchange.
