

# Closure of 46th South Avenue from Columbine to Fillmore streets

### June 1 - Early July

As part of the Colorado Department of Transportation’s Central 70 Project, 46th South Avenue from Columbine to Fillmore streets will be closed from Tuesday, June 1 through early July for demolition of the viaduct. See the detour map below.

Construction activities will be 24/7, but will not exceed the noise limit that is permitted in the Project’s noise variance issued by the Denver Department of Public Health and Environment between weekday nighttime hours of 9 p.m. to 7 a.m. and weekend nighttime hours of 5 p.m. and 8 a.m.

To learn more about demolition including schedule and environmental protections in place visit the [Bye-a-duct](#) page on the Project website or use the QR code.

For questions and concerns, please call the 24-hour hotline at 833-C70-INFO (833-270-INFO).

Thank you for your patience. This work is weather-dependent and subject to change.
