

Edwards Interchange Project Update

August 8, 2010

As the work moves into the roadway we remind you to please be patient and slow for the CONE ZONE!

- **Berry Creek Road will close August 13 - September 2** Singletree Traffic will be detoured to Winslow Underpass.
- Work at the Wendy's/Shell portal on Edwards Access road will be varying and access unpredictable. Drivers would be better served to use the access point on Miller Ranch Road.
- The rest of the traffic will remain unchanged with traffic flowing on the west side of the Edwards Access Road and the south side of Miller Ranch Road with one lane of thru-traffic in each direction plus auxiliary turn lanes.
- With much of the ancillary work behind us, crews are now working in the roadway increasing flagger manned traffic control. Please be alert!

BASIC PROJECT INFORMATION

Project schedule: March 15 - November 19, 2010.

Scope: Construction of four roundabouts: Two at the I-70 interchange, one at Miller Ranch Road & Edwards Access Road, and one at the intersection of Berry Creek/Beard Creek Roads. Work also includes bike/ pedestrian paths along much of the corridor.

Traffic Impacts: There will always be one lane of thru traffic on Miller Ranch Road and the Edwards Access Road going in each direction during peak hours, plus auxiliary turn lanes. Peak hours are 7-9 a.m. and 4-7 p.m. Monday through Friday.

Funding: This project is funded by the American Recovery & Reinvestment Act of 2009
