

How Decisions Were Reached Since August 24, 2006

## 21st Street

# Recommendation: Single Point Diamond interchange

**Factors that led to this recommendation:** Existing and future congestion at this location require an interchange  
Interchange does not require more right of way than an improved intersection  
Improved intersection does not meet City and State level-of-service requirements

**Who helped reach this recommendation:** 06/25/08: Executive and Technical Leadership Teams endorsed this decision  
11/20/06: Met with the local business at 21st Street and discussed the design options.  
11/13/06: Westside Working Group Discussion

Multiple meetings with property owners (business and residential)
