US 34 & MacGregor Avenue Roundabout - Estes Park

PROJECT GOALS

- Accommodate current and future traffic volumes
- Improve safety for pedestrians, cyclist, vehicles, and other users
- Cost savings for construction, maintenance, traveler delay and crashes

WHY A ROUNDABOUT

- Best operation for all vehicles
- Lowest points of conflict with vehicles, cyclists and pedestrians
- Lowest number of expected crashes

PROJECT TIMELINE

MARCH

APRIL

MAY

JUNE

Full road closure

US 36 will have a full closure at mile point 7.5 beginning March 9 for 30 days, this is approximately 8 miles east of Town of Estes Park
