

**COLORADO**  
Department of Transportation

## **MONTROSE/OLATHE INTERSECTION IMPROVEMENT PROJECT: EARLY NOVEMBER 2019 TO MID-APRIL 2020**

**ADA\* RAMP REPLACEMENT AT INTERSECTIONS ON US 50, US 550 and CO 90  
IN MONTROSE AND CO 348 IN OLATHE**

### **PROJECT DESCRIPTION**

Colorado Department of Transportation contractor United Companies will bring existing curb ramps into compliance with PROWAG\*\* requirements. The work will improve curb ramps, sections of adjacent sidewalks, curbs and gutters at nearly 50 intersections in Montrose and Olathe. (Please refer to web site for intersection locations; not every corner at each intersection will receive upgrades.) *\*Americans with Disabilities Act*

*\*\*Public Rights of Way Accessibility Guidelines. The Access Board is an independent federal agency that promotes equality for people with disabilities through leadership in accessible design and the development of accessibility guidelines and standards.*

**GENERAL PROJECT SCHEDULE** The general schedule (subject to change) will be to begin in November with intersections on CO 348 in Olathe, then progress to US 50, CO 90 and, finally, US 550 in Montrose (please see website for locations.) The project is anticipated to be completed by mid-April, weather permitting.

**TRAVEL IMPACTS & CONTACT INFORMATION** Travelers by car, bike, wheelchair or foot can expect various lane and sidewalk closures where work zones exist, during daylight hours, Monday through Friday. Sidewalks, however, are likely to be closed overnight or over weekends to allow the concrete to set up. Access to all businesses will be maintained, but may be temporarily altered. Thank you for going **Slow for the Cone Zone!**

Please contact the project public information manager at **(970) 901-7459** or [us50montroseada@gmail.com](mailto:us50montroseada@gmail.com).
