Additional information can be found on the website: www.codot.gov/projects/us160-co17-alamosa-intersection. For statewide projects go to www.cotrip.org/home.htm.

PROJECT OVERVIEW: The Colorado Department of Transportation and prime contractor, Concrete Works of Colorado, will be conducting the following work at the intersection of United States Highway 160 and Colorado Highway 17:

- Removal of deteriorating asphalt within the intersection as well as several feet of the approaches
- Rebuilding the intersection and approaches with concrete pavement
- Constructing curb ramps in compliance with the Americans With Disabilities Act (ADA)
- Replacing stop signs with a new signal, which includes universal push buttons and indicators for pedestrians

TRAVEL IMPACTS:

During phase one, lasting until mid-September, turn lanes on US 160 will see a full-time closure. Vehicles will be funneled into one access point in both directions, east and west. Travelers can expect congestion and delays during this time period.

- One-lane closures
- Shoulder closures
- Turn-lane closures

ESTIMATED PROJECT SCHEDULE (SUBJECT TO CHANGE):

- July through mid-December
- Normal working hours will be from 7 a.m. to 7 p.m., Monday through Friday. In special cases, these hours may be extended.
- No weekend work is anticipated
