

## **Addendum to the Technical Memorandum “Paleontological Survey for the Lamar EA, Conducted under Project C 02871-026” dated July 8, 2003**

**PREPARED FOR:** U.S. 287 at Lamar - CDOT Region 2  
**PREPARED BY:** Laura Dreher/CH2M HILL  
**COPIES:** CH2M HILL Project File  
**DATE:** August 2, 2007

The paleontological survey findings as reported in the Technical Memorandum “Paleontological Survey for the Lamar EA, Conducted under Project C 02871-026” dated July 8, 2003 remain unchanged. Updates to the Technical Memorandum are not needed and the findings in the Environmental Assessment remain valid.
