

Signal replacements in Jefferson and Denver County to begin January 4, 2021

Traffic signal and curb ramps at various locations in Jefferson and Denver County to undergo replacements

PROJECT OVERVIEW

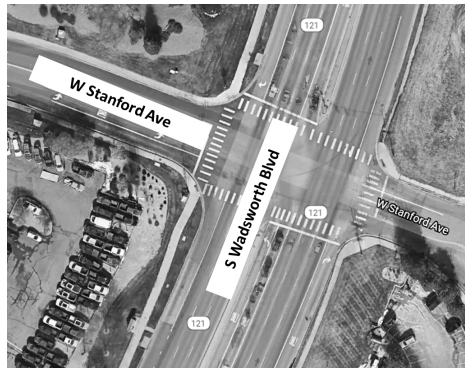

The Colorado Department of Transportation and contractor Lumin8 (formerly W.L. Contractors Inc.) have scheduled traffic signal and Americans with Disabilities (ADA) compliant curb ramp replacements at three different intersections in Jefferson and Denver County. Bringing curb ramps to ADA compliance and updating traffic signals will improve the efficiency and ease of use for pedestrians and motorists.

PROJECT LOCATIONS AND START DATES

Intersection of Interplaza West and West Colfax Avenue in Golden
January 4, 2021

Intersection of South Wadsworth Boulevard and West Stanford Avenue in Denver
January 26, 2021

Intersection of Wadsworth Boulevard and West 29th Avenue in Wheat Ridge
February 9, 2021

PROJECT SCHEDULE

Work is scheduled to start January 4, 2021 and go through May 2021.
Normal working hours will be from 7 a.m. - 5 p.m. Mondays through Fridays.

TRAVEL IMPACTS

- Motorists can expect various single lane closures and shoulder closures within the work areas during daytime hours.
- Some overnight work with lane closures may occur. Updates will be posted on the project page.
- Curb ramps will be temporarily inaccessible while upgrades are being made.
- Slowdowns and delays are expected.
- Please drive safely through the work area when crews are present.
