# Important: U.S. 40 Reconstruction Project Update April 6 2010

## U.S. 40 Reconstruction Project Update

### *Two Way Traffic Phase I*

(Phase 1= Up to 24 days, weather permitting)

#### Update since last email:

- Because of weather delays Tues. & Wed., **crews will work 7 a.m.-7 p.m. Sat. & Sun., 4/10 & 4/11/2010.** Typical work hours are 7 a.m.-7 p.m. weekdays, with some weekend and night work.
- Weather permitting, saw cutting will begin in two north lanes of U.S. 40 west of 13<sup>th</sup> Wed. afternoon, and asphalt removal begins in those lanes Thurs. at 7 a.m.
- Monday 4/12, crews start drilling for new signals in the intersections of 11<sup>th</sup>, 5<sup>th</sup> and 3<sup>rd</sup> streets. Northernmost lane of U.S. 40 is closed (no parking near those intersections either), but one lane open westbound on Lincoln Ave. Right turns allowed from the left side westbound lane.

# Important: U.S. 40 Reconstruction Project Update April 6 2010

- 1) Traffic will flow in one lane in each direction on U.S. 40/Lincoln Ave. through the work zone (with some limited overnight Lincoln Ave. closures during paving beginning 4/13.)
- 2) No left turns at 13<sup>th</sup> or 12<sup>th</sup> streets. Motorists are being encouraged to make their left turns outside of downtown in an effort to increase traffic flows through Old Town.
- 3) To reduce the number of vehicle trips through town, parents are being encouraged to have their children take school buses or to carpool.
- 4) Old Town workers are being encouraged to park in outlying lots and walk or take free shuttle buses to work, in order to free up downtown parking for customers. Pedestrians can cross the work zone at designated crossings (well marked).
- 5) City buses will continue to operate along Lincoln Ave. during construction.
- 6) Cyclists should continue to use bike lanes provided along Oak and Yampa streets and plan to cross the Lincoln Ave. work zone at designated pedestrian crossings (well marked)
- 7) CDOT has a wide load restriction on U.S. 40 throughout the project.
- 8) **13<sup>th</sup> Street Impacts:** From 7 a.m. - 7 p.m. left turns will not be allowed from Lincoln onto 13<sup>th</sup> while work is underway on the north side of the intersection. To access the Fairview neighborhood and 20-mile Business Area motorists will be required to detour to the James Brown Bridge. Trucks and large vehicles will not be able to access U.S. 40 from 13<sup>th</sup> St. Library Patrons are encouraged to use alternate parking areas at Little Toots Park and to the west of West Lincoln Park.
