Speed and Access Needs

Higher 65 mph

Moderate 50 mph

Lower 35 mph **Desired Speed**

commuters, out-of-state travelers, NAFTA truck freight passing through

Regional users:

into town, or between towns, for shopping, medical care, local business, tourism, school events

Local users (in-town):

Partnering for Progress

pedestrians, bicyclists, tourists, school buses, farm implements, access to roadside businesses and homes

Desired Degree of Access Control (Restricting Ability to Enter/Exit the Highway)

Unrestricted Access – able to pull onto or off of US 50 nearly anywhere

Limited Access – enter/exit using interchanges at major crossroads
