**What:** CO 119 Safety and Mobility Alternative Delivery Public/Industry Virtual Meeting

**When:** Thursday, January 26, 2023 from 5:30 p.m. – 6:50 p.m.

**Where:** Virtual (interactive online meeting using Zoom)

CDOT invites you to join us for an update on the upcoming CO 119 Safety and Mobility and Bikeway Project. The limits of this project extend from Hover Street in Longmont to CO 157 (Foothills Parkway) in Boulder. The scope includes operational and safety intersection improvements, bus queue bypass lanes, two Park and Rides, four BRT stops and commuter bikeway elements.

This meeting will exclusively focus on the CO 119 Safety and Mobility Improvements and Bikeway Project and will include a presentation beginning at 5:30 p.m. on the project alternative delivery method selection process and alternative delivery method recommendation followed by a question and answer (Q&A) session with a panel of CDOT, RTD and Boulder County project team members.

To participate in this virtual meeting, you must register in advance using the following link:

<https://us06web.zoom.us/meeting/register/tZMofuqqrTgsGNxEDs2xSIQ6L9rkJU6QlgwD>

After registering, you will receive a confirmation email containing information about joining the meeting. All participants will be automatically muted during the presentation, then the Q&A portion of the call will allow for questions and comments. We look forward to your participation.
