

## Road Work Resumes on CO 9 in Summit County

*Work begins in early May*

### PROJECT OVERVIEW

Starting the week of May 10, following winter shutdown, construction on Colorado Highway 9 near Frisco will resume. During Phase 2 of this project, primary work activities will take place between the intersections of Peak One Blvd. and Main Street. A new roundabout will be constructed at 8<sup>th</sup> Ave., with a temporary roundabout configuration expected by July 1. Additional work during this phase includes drainage improvements, signal replacement at Main Street, and new/upgraded pedestrian facilities.

Motorists can expect occasional lane closures between the new roundabout at Peak One Blvd. to Recreation Way as crews complete grading and seeding operations from Phase 1. Major components from Phase 1 are complete including the new roundabout at Peak One Blvd., LED pedestrian crossings, overhead street lighting, sound walls, and the pedestrian underpass connecting the County Commons to the Frisco Adventure Center.

## PROJECT SCHEDULE

Work is scheduled to begin on May 10 and is expected to be completed by mid-October 2021. Work will take place Monday through Thursday, 7 a.m. to 7 p.m., and Friday 7 a.m. to 12 p.m. Weekend and night work are expected as well. Night work will be announced in advance.

## TRAVEL IMPACTS

- Traffic will be moving through the work zone by a single lane in each direction. Starting July 1<sup>st</sup>, a temporary roundabout configuration will be in place at 8<sup>th</sup> Ave. CO 9 northbound and southbound traffic will be in a single lane, with left or right lane closures for the construction season.
- The northbound left turn to Granite St. will be closed. Granite St. will be accessible via an alternate northbound left turn at 8<sup>th</sup> Ave.
- Delays up to 20 minutes can be expected.
- The speed limit will be reduced to 35 mph through the work zone.
- Loads wider than 12 feet will be restricted through the work zone.
