Lunch

# Decision Process

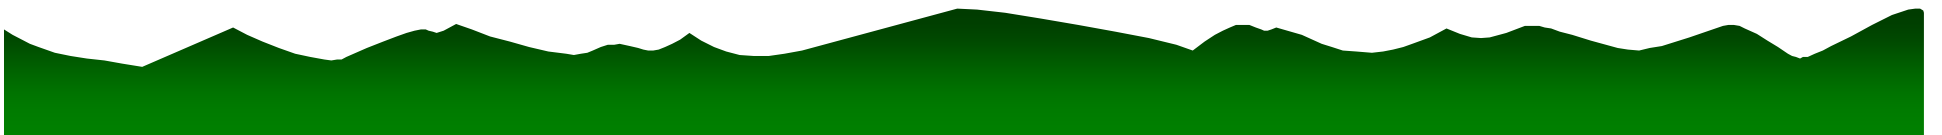

---

**Based on Decision Science**

**Reflects what we heard**

**Provides transparency**

**It is community-based decision making**

# How It Reflects What We Heard

---

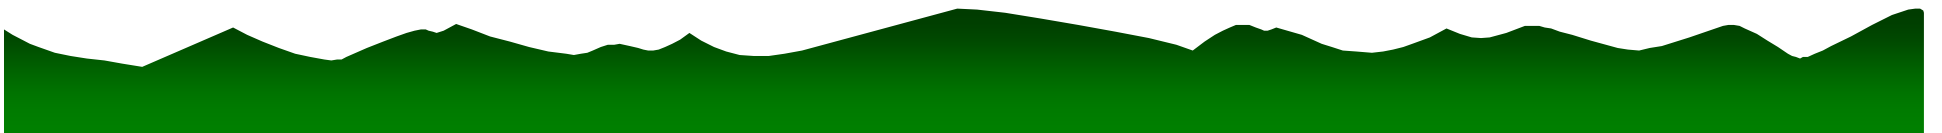

**What we heard:**

**“Don’t limit technology advances”**

**How we included it:**

**Amendment Process**

**Opportunities to provide new ideas**

# How It Reflects What We Heard

---

**What we heard:**

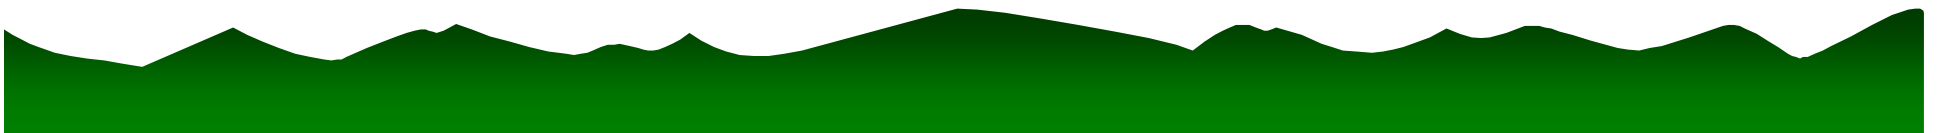

**“Invite stakeholders early and often”**

**How we included it:**

**Included stakeholders in the Project  
Leadership Teams (PLT)**

**County-wide Coordination Meetings**

**Public Involvement Plan as element of all  
Project Work Plan**

# How It Reflects What We Heard

---

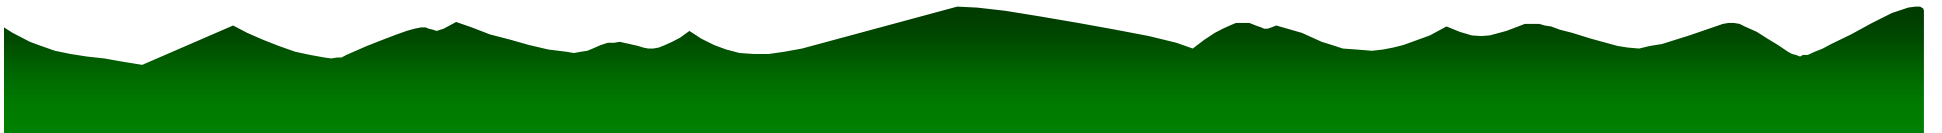

**What we heard:**

**“Transparency and documentation”**

**How we included it:**

**Clear process to be used on all projects**

**Clear direction on tasks and associated  
documentation**

# How It Reflects What We Heard

---

**What we heard:**

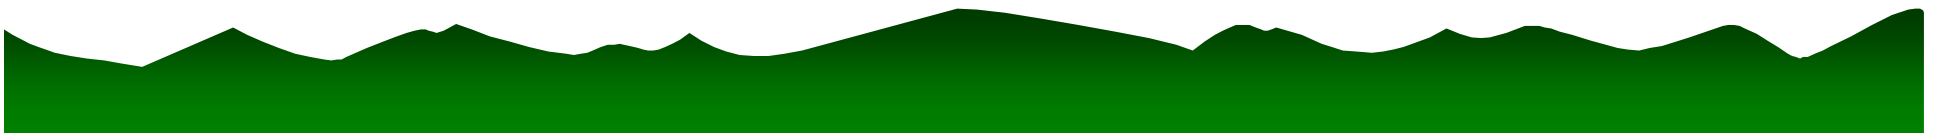

**“Balance of interests and concerns”**

**How we included it:**

**Incorporating your comments in the  
evaluation criteria, alternative  
refinements and mitigations**

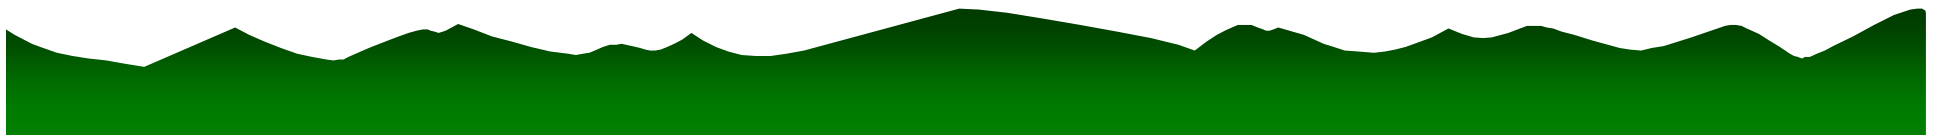

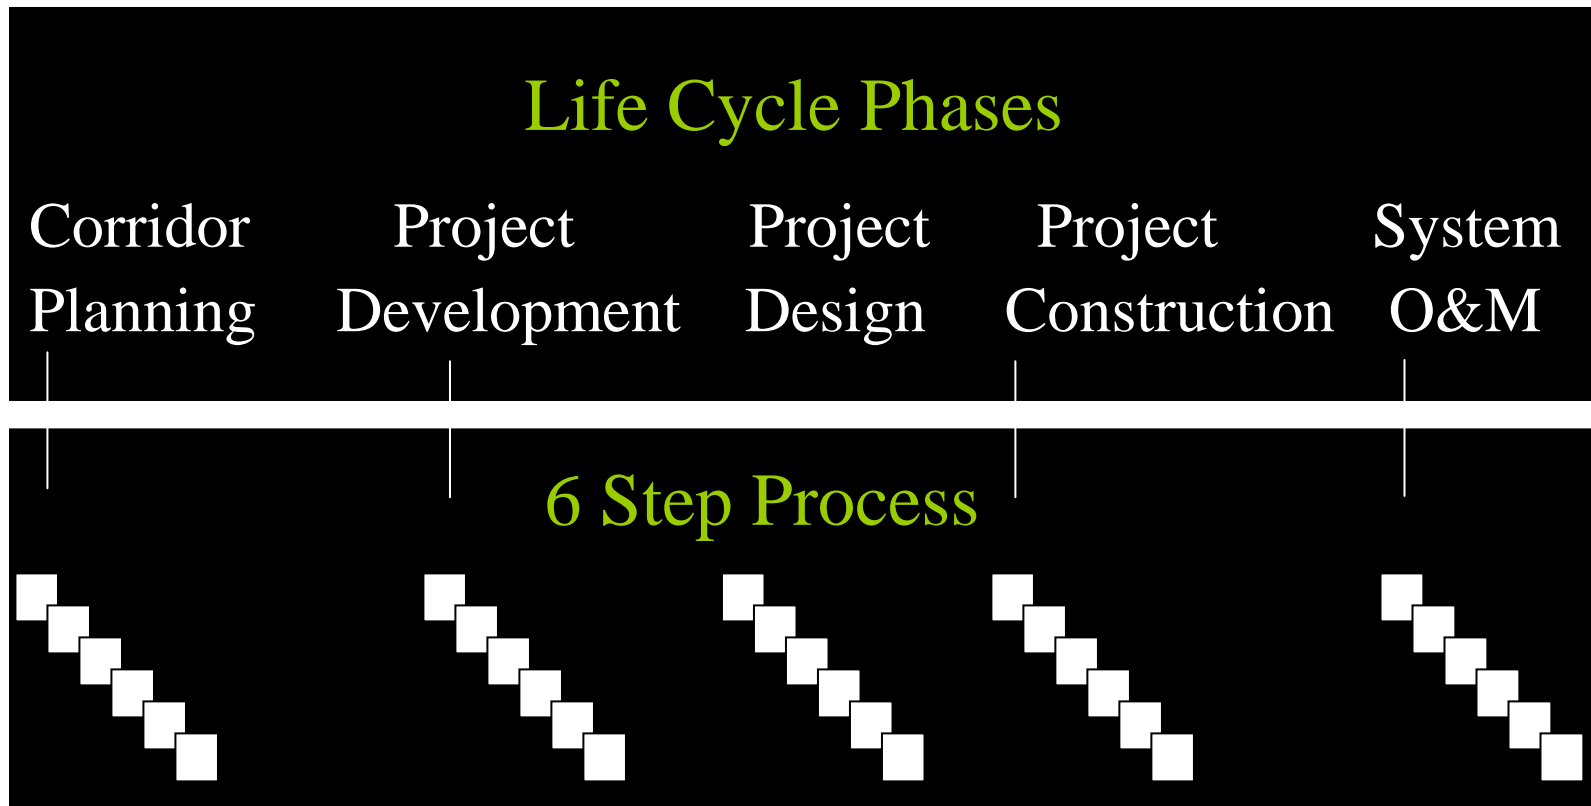

**Sustainability is a Core Value**

**Continuous stakeholder involvement**

# CSS Decision Process

---

# 6 Step Process

---

**Define desired outcomes and actions**

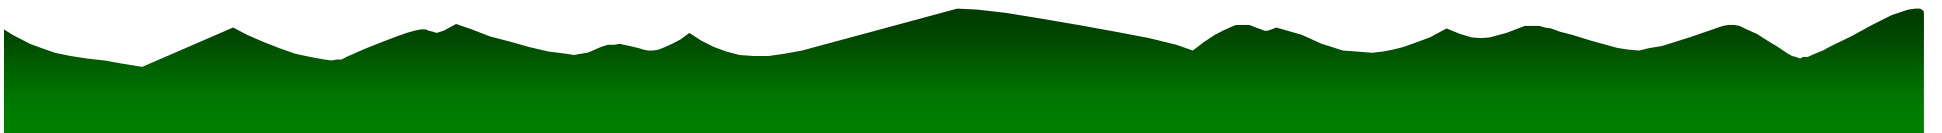

**Endorse the process**

**Establish criteria**

**Develop alternatives or options**

**Evaluate, select, and refine alternative or option**

**Finalize documentation and evaluation process**

# Communication and Collaboration

---

**County-wide Coordination Meetings**

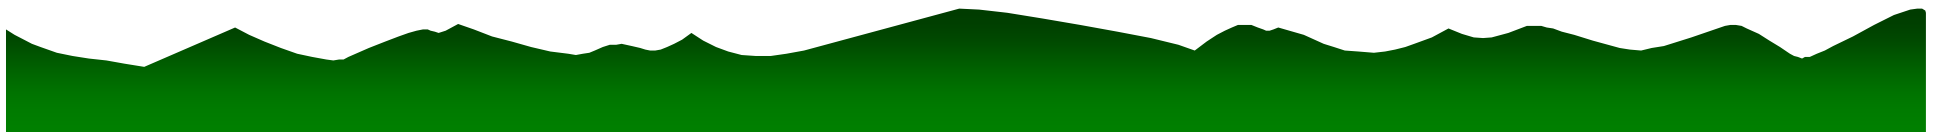

**Project Leadership Teams**

**Technical Leadership Teams**

**Issue Task Forces**

**Public Meetings**

**Multi-discipline**  
**Multi-stakeholder**
