

### Key Roadway Views

- Gateway Views** - provide a sense of entry or arrival to key portions of the Corridor.
- Focal Views** - or dramatic views are dominated by a central identifying feature which provides a notable landmark.
- Canyon Views** - are outstanding examples of canyon environments in the Corridor. These areas provide a sense of enclosure and dramatic settings.

SCALE - 1:192,000 or 1" = 16,000'
