

## I-25 Bridge Demolition

### Full Closure of Cimarron Street/US 24 - Weekend of Nov. 4

To expedite work and maintain public safety while minimizing long-term impacts to Cimarron Street/US 24 drivers, Cimarron Street will be closed in both directions from the southbound I-25 on and off-ramps and Sierra Madre Street the weekend of Nov. 4 to complete I-25 bridge demolition. The closure will be in effect from 10 p.m. Friday, Nov. 4 until 5 a.m. Monday, Nov. 7. While Cimarron Street is closed for bridge demolition work, crews will also be conducting roadway maintenance work. Doing multiple work activities under a single weekend closure will save approximately 11 nights of overnight closures to complete the work. The northbound I-25 on and off-ramps will be closed. The southbound I-25 off-ramp remains open but only right turn on to westbound US 24 will be permitted; southbound I-25 on-ramp will remain open from eastbound US 24/Cimarron. On Saturday, Nov. 5, the detour route will change due to the Veteran's Day Parade (refer to map on the right below) between 6 a.m. and 1 p.m.

Please keep in mind that this work is weather dependent and subject to change. The I-25/Cimarron project team coordinates schedules with the City and adjacent construction projects to minimize impacts the traveling public.
