TRAFFIC NOTIFICATION

I-25 & FILLMORE INTERCHANGE

NIGHT CLOSURES OF I-25 & FILLMORE STREET IN JULY

A portion of Interstate 25 will close in Colorado Springs on two nights in July to accommodate work on the I-25 & Fillmore Street Interchange project.

On Thursday, July 9, and Sunday, July 12, from 9 p.m. to 5 a.m., both northbound and southbound I-25 will be closed at the Fillmore Street exits.

During this time, crews will set bridge girders for the westbound Fillmore Street bridge structure over the Interstate, marking a major milestone on the project. These closures will be in place to ensure the safety of the traveling public, so motorists do not drive through the construction zone while crews set girders above the highway. Each girder weighs approximately 180,000 pounds – more than the weight of two semi trucks and their trailers combined.

DETOURS

At Fillmore Street, I-25 through traffic will be detoured off the highway at the off-ramps and routed back onto the highway using the on-ramps. Fillmore Street will be closed between the I-25 northbound and southbound ramps. Motorists can turn right off the ramps, but will not be able to turn left onto Fillmore Street.

There will be signed detours along I-25 to direct motorists around the work. Detours will include utilizing the Garden of the Gods and Fontanero exits.

UPCOMING WORK

This is the second phase of bridgework. After the bridge girders are set, crews can form and pour the concrete bridge deck. Upcoming work in August will focus on partial demolition of the existing Fillmore Street bridge. There will be information about closures related to this work as it gets closer.

The Project Team thanks you for your patience as it continues to work on improvements along the corridor.

CONTACT THE PROJECT TEAM

If you have questions about the I-25 & Fillmore Street Exchange project, contact the Public Information Team at 719-367-4884 or i25fillmore@publicinfoteam.com. You will receive a response within 24 hours.
