

# I-25 & FILLMORE INTERCHANGE

## I-25 TO CLOSE AT FILLMORE EXITS ON AUGUST 4

On Tuesday night, August 4, from 9 p.m. to 5 a.m., Interstate 25 will close at the Fillmore Street exit (145) to accommodate a bridge deck pour on the I-25 and Fillmore Street Interchange project. Fillmore Street also will be closed between the I-25 northbound and southbound ramps starting at 8 p.m.

During this time, crews will be pouring the bridge deck for the westbound Fillmore Street bridge structure over the Interstate. This closure will be in place to ensure the safety of the traveling public.

### DETOURS

At Fillmore Street, I-25 through traffic will be detoured off the highway at the off-ramps and routed back onto the highway using the on-ramps. Motorists can turn right off the ramps, but will not be able to turn left onto Fillmore Street.

There will be signed detours along I-25 to direct motorists around the work. Detours will include utilizing the Garden of the Gods and Fontanero exits.

The Project Team thanks you for your patience as it continues to work on improvements along the corridor.
