

Appendix E19. Utilities

Table 1. Utilities Present within the Study Area

Utility Type	Owner	Location	Size (if known) and/or Type
Water	Denver Water	I-270 and Krameria Street	60 inch conduit
Water	Denver Water	I-270 and Quebec Street	67 inch conduit
Water	Washington Water and Sanitation District North	I-270 and Washington Street	Two separate pipelines - 10 inch conduit and 36 inch conduit
Water	Washington Water and Sanitation District North	I-270 and York Street	12 inch
Water	South Adams County Water and Sanitation District	I-270 and CO 265 (Brighton Boulevard)	Unknown
Water	South Adams County Water and Sanitation District	I-270 and UPRR Greeley Subdivision	Unknown
Water	South Adams County Water and Sanitation District	I-270 and BNSF Bruch Subdivision	Unknown
Water	South Adams County Water and Sanitation District	I-270 and 60 th Avenue (BNSF Market Lead Subdivision)	Two pipelines, unknown sizes
Water	South Adams County Water and Sanitation District	I-270 and 56 th Avenue	Unknown
Water	South Adams County Water and Sanitation District	I-270 (North ROW line) from Krameria Street and Newport Street	Unknown
Sanitary	Metro Water Recovery	I-270 and Washington Street	24 inch
Sanitary	Metro Water Recovery	I-270 and CO 224 (East 70 th Avenue)	18 inch
Sanitary	Metro Water Recovery	I-270 and West Side of Welby Reservoir (Cat Lake)	42 inch
Sanitary	Metro Water Recovery	I-270 and East Side of Welby Reservoir (Cat Lake)	42 inch
Sanitary	Metro Water Recovery	Vasquez Boulevard and Sand Creek	Unknown
Sanitary	Metro Water Recovery	I-270 and Leyden Street	42 inch
Sanitary	Metro Water Recovery	I-270 and Quebec Street, Southeast Quadrant	Two lines, 39 inch and 54 inch

Utility Type	Owner	Location	Size (if known) and/or Type
Sanitary	North Washington Water and Sanitation District	I-270 and Washington Street	Unknown
Sanitary	North Washington Water and Sanitation District	I-270 and York Street	Unknown
Sanitary	South Adams County Water and Sanitation District	I-270 and 60 th Avenue (BNSF Market Lead Subdivision)	Unknown
Sanitary	South Adams County Water and Sanitation District	I-270 and 56 th Avenue	Unknown
Sanitary	South Adams County Water and Sanitation District	I-270 (north ROW line) from Eudora Street to Holly Street	Unknown
Storm Sewer	Adams County	I-270 & Washington Street	Unknown
Storm Sewer	Adams County	I-270 & Clear Creek (west of I-76 eastbound merge ramp) - Drop Structure	Unknown
Storm Sewer	Adams County	I-270 and I-76 (northeast quadrant) - Pond	Unknown
Storm Sewer	Adams County	I-270 & South Platte River - Outfall Structures	Unknown
Petroleum	Magellan	I-270 & CO 265 (Brighton Boulevard)	8 inch
Petroleum	Magellan	I-270 and 56 th Avenue	6 inch
Petroleum	Phillips 66	I-270 and Quebec Street	Three separate lines, two 6 inch lines and one 8 inch line
Petroleum	Phillips 66	I-270 eastbound on-ramp from westbound I-70	Three separate lines, two 6 inch lines and one 8 inch line
Petroleum	Phillips 66	I-270 eastbound on-ramp from I-70	Abandoned in-place 6 inch line
Petroleum	Suncor	I-70 and Burlington Canal (east side)	Two lines, 10 inch and 16 inch
Petroleum	Suncor	I-270 and CO 265 (Brighton Boulevard)	10 inch
Gas - High-Powered and Distribution	Unknown	I-270 and Washington Street	4 inch
Gas - High-Powered and Distribution	Unknown	I-270 and York Street	2 inch
Gas - High-Powered and Distribution	Unknown	I-270 and South Platte River (diagonal crossing)	24 inch
Gas - High-Powered and Distribution	Unknown	I-270 and CO 265 (Brighton Boulevard)	6 inch

Utility Type	Owner	Location	Size (if known) and/or Type
Gas - High-Powered and Distribution	Unknown	I-270 and UPRR Greeley Subdivision	6 inch
Gas - High-Powered and Distribution	Unknown	I-270 and BNSF Brush Subdivision	6 inch
Electric	Xcel Energy	I-270 and Washington Street	Distribution
Electric	Xcel Energy	I-270 and Lafayette Street	Overhead transmission
Electric	Xcel Energy	I-270 and York Street (west side)	Overhead distribution
Electric	Xcel Energy	I-270 and South Platte River (west side)	Three separate overhead transmission lines
Electric	Xcel Energy	I-270 and 64 th Avenue (diagonal crossing)	Overhead transmission
Electric	Xcel Energy	I-270 and Burlington Canal (east side)	Distribution
Electric	Xcel Energy	I-270 and CO 265 (Brighton Boulevard)	Distribution
Electric	Xcel Energy	I-270 and UPRR Greeley Subdivision	Distribution
Electric	Xcel Energy	I-270 and BNSF Brush Subdivision	Distribution
Electric	Xcel Energy	60 th Avenue	Distribution
Electric	Xcel Energy	I-270 and 56 th Avenue	Overhead distribution
Electric	Xcel Energy	I-270 and Pontiac Street	Overhead distribution
Electric	Xcel Energy	Vasquez Boulevard and Sand Creek	Overhead distribution
Communications	Adams County	I-270 and UPRR Greeley Subdivision	911 fiber
Communications	AT&T	I-270 and York Street	Long haul fiber
Communications	AT&T	I-270 and CO 265 (Brighton Boulevard)	Long haul fiber
Communications	AT&T	56 th Avenue and South Sandcreek Drive	Long haul fiber
Communications	AT&T	I-270 and 56 th Avenue	Long haul fiber
Communications	CDOT	I-270 from I-25 to I-70	Various
Communications	Comcast	I-270 and Washington Street	Fiber
Communications	Lumen	I-270 and Washington Street	Long haul and local fiber
Communications	Lumen	I-270 and CO 224 (East 70 th Avenue)	Long haul and local fiber
Communications	Lumen	I-270 and York Street	Long haul and local fiber
Communications	Lumen	I-270 and CO 265 (Brighton Boulevard)	Long haul and local fiber
Communications	Lumen	I-270 and UPRR Greeley Subdivision	Long haul and local fiber

Utility Type	Owner	Location	Size (if known) and/or Type
Communications	Lumen	I-270 and 60 th Avenue (BNSF Market Lead Subdivision)	Long haul and local fiber
Communications	Lumen	Vasquez Boulevard and Sand Creek	Long haul and local fiber
Communications	Lumen	I-270 and Vasquez Boulevard	Long haul and local fiber
Communications	Lumen	56 th Avenue and South Sandcreek Drive	Long haul and local fiber
Communications	Lumen	I-270 and 56 th Avenue	Long haul and local fiber
Communications	Lumen	I-270 and Holly Street	Long haul and local fiber
Communications	Sprint	I-270 and UPRR Greeley Subdivision (east side)	Fiber
Communications	Sprint	I-270 and BNSF Market Lead Subdivision (east side)	Fiber
Communications	Verizon	I-270 and Washington Street	Fiber
Communications	Verizon	I-270 and UPRR Greeley Subdivision	Fiber
Communications	Viaero	I-270 and Quebec Street	Six 2 inch conduits
Communications	Zayo	I-270 and Washington Street	Long haul fiber
Communications	Zayo	I-76 east of I-270	Long haul fiber
Communications	Zayo	I-270 and CO 265 (Brighton Blvd)	Long haul fiber
Communications	Zayo	I-270 and UPRR Greeley Subdivision	Long haul fiber
Communications	Zayo	I-270 and BNSF Brush Subdivision	Long haul fiber
Communications	Zayo	I-270: Vasquez Boulevard to I-70	Long haul fiber
Communications	Zayo	Vasquez Boulevard and CO 2	Long haul fiber
Communications	Zayo	I-270 diagonal crossing west of railroad tracks	Long haul fiber, 24 inch line
Communications	Zayo	60 th Avenue	Long haul fiber, two lines - 10 inch and 2 inch
Communications	Zayo	I-270 and 60 th Avenue BNSF Denver Market Lead	Long haul fiber, two lines - 10 inch and 2 inch
Communications	Zayo	I-270 (west of Vasquez Boulevard)	Long haul fiber, 4 inch
Communications	Zayo	I-270 and Vasquez Boulevard	Long haul fiber, 24 inch
