Construction * #									██████████		
PLT/Stakeholder Meetings		◆		◆		◆		◆			
Public Meetings			◆					◆			

NOTES:

* Advertisement and Construction are funding dependent.

Project may be constructed in two phases. Phase 1 would include improvements to the Exit 203 Interchange Ramps and Bridge over I-70 and Phase 2 would include the new Frontage Rd Bypass and SH 9 improvements. If constructed as one project the earliest construction completion is anticipated to be fall 2026.
