

Construction Activities - August 2021

Look for the following construction activities to occur this month.

WEST AREA (Between Brighton and Colorado boulevards)

- Placing bridge beams on I-70 bridge over Brighton Boulevard
- Ongoing viaduct demolition over Union Pacific Railroad bridge
- Continued construction of 46th North Avenue between Brighton Boulevard and York Street
- Viaduct demolition over York Street, requiring closure
- Utility and railroad track work on York Street between 47th and 48th avenues
- Viaduct demolition over Monroe Street, requiring closure
- Excavation for future eastbound lanes of I-70

CENTRAL AREA (Between Colorado Boulevard and Quebec Street)

- Final paving of Stapleton North and South drives requiring overnight closures of portions of the road
- Weekend closure of westbound I-70 from I-270 to Colorado Boulevard to complete the final paving of I-70 in the center area
- Continued construction of the Quebec Street and I-70 interchange

EAST AREA (Between Quebec Street and Chambers Road)

- Continued overnight restriction of highway lanes and ramps to and from I-70 between Quebec Street and Chambers Road for median and barrier replacement

These activities are weather-dependent and subject to change.
