

Construction Activities - February 2021

Look for the following construction activities to occur this month.

WEST AREA (Between Brighton and Colorado boulevards)

- Continued construction of Brighton Boulevard and I-70 interchange
- Continued long-term closure of the westbound I-70 off-ramp to Brighton Boulevard to rebuild ramp out of the lowered section of I-70
- Continued construction of the lowered section between Brighton and Colorado boulevards
- Continued construction of 46th North Avenue between Brighton Boulevard and Milwaukee Street
- Continued construction of the York Street bridge, requiring a closure one half-block north of 46th Avenue
- Continued long-term closure of the Steele Street on-ramp to westbound I-70 to rebuild ramp into the lowered section of I-70

CENTRAL AREA (Between Colorado Boulevard and Quebec Street)

- Continued construction of the Colorado Boulevard and I-70 interchange
- Setting bridge beams and bridge deck panels on I-70 bridge above Holly Street
- Continued closure of Dahlia and Monaco streets under I-70 for bridge and intersection work
- Shifting traffic on Quebec Street under I-70
- Continued rebuilding of the Quebec Street and I-70 interchange

EAST AREA (Between Quebec Street and Chambers Road)

- Continued overnight restriction of highway lanes and ramps to and from I-70 between Quebec Street and Chambers Road for median and barrier replacement

These activities are weather-dependent and subject to change.
