

Construction Activities - June 2021

Look for the following construction activities to occur this month.

WEST AREA (Between Brighton and Colorado boulevards)

- Demolition of the I-70 bridge above Brighton Boulevard under the viaduct from 8 p.m., Friday June 4 to 5 a.m., Monday, June 7
- Demolition of the I-70 viaduct requiring a closure of the 46th South Avenue between Clayton and Steele streets and Fillmore Street under the viaduct from 5 a.m., Saturday, June 12 to 11 p.m., Sunday, June 13
- Continued demolition of the I-70 viaduct between Brighton and Colorado boulevards
- Continued construction of the 46th North Avenue between York Street and Brighton Boulevard

CENTRAL AREA (Between Colorado Boulevard and Quebec Street)

- Continued construction of the inside lanes between Colorado Boulevard and Quebec Street
- Begin final paving of Stapleton North and South drives requiring overnight closures of portions of the roadways throughout the month of June
- Continued work on Dahlia, Holly and Monaco streets under I-70 for bridge and intersection work
- Continued construction of the Quebec Street and I-70 interchange

EAST AREA (Between Quebec Street and Chambers Road)

- Continued overnight restriction of highway lanes and ramps to and from I-70 between Quebec Street and Chambers Road for median and barrier replacement

These activities are weather-dependent and subject to change.
