

Construction Activities - May 2021

Look for the following construction activities to occur this month.

WEST AREA (Between Brighton and Colorado boulevards)

- Demolition of portions of the I-70 bridge above Brighton Boulevard
- Switching east and westbound I-70 traffic into the lowered section between Brighton and Colorado boulevards
- 46th North Avenue opened between Colorado Boulevard and York Street
- Construction of the York Street bridge completed, reopening the street a half-block north of 46th Avenue
- Begin demolition of the I-70 viaduct between Brighton and Colorado boulevards

CENTRAL AREA (Between Colorado Boulevard and Quebec Street)

- Closure of the Colorado Boulevard on-ramp to westbound I-70 prior to the traffic switch into the lowered section
- Continued construction of the Colorado Boulevard and I-70 interchange
- Begin final paving of Stapleton North and South drives
- Continued closure of Dahlia and Monaco streets under I-70 for bridge and intersection work
- Continued construction of the Quebec Street and I-70 interchange

EAST AREA (Between Quebec Street and Chambers Road)

- Continued overnight restriction of highway lanes and ramps to and from I-70 between Quebec Street and Chambers Road for median and barrier replacement

These activities are weather-dependent and subject to change.
