

Construction Activities - September 2021

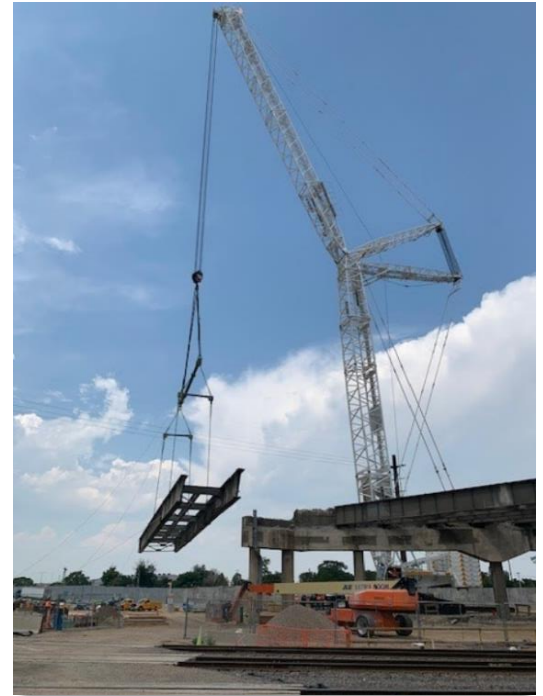

Look for the following construction activities to occur this month.

WEST AREA (Between Brighton and Colorado boulevards)

- Continued construction of Brighton Boulevard under I-70
- Continued construction of the lowered section between Brighton and Colorado boulevards
- Continued construction of the York Street bridge requiring a closure a half-block north of 46th Avenue
- Continued closure of Clayton Street a half-block north of 46th Avenue to build the connection to the cover park
- Closure of the loop ramp to westbound I-70 from 46th Avenue at Steele Street

CENTRAL AREA (Between Colorado Boulevard and Quebec Street)

- Continued construction of the Colorado Boulevard and I-70 interchange
- Continued closure of the northbound Colorado Boulevard on-ramp to westbound I-70 to build the center pier for the new bridge structure
- Continued closure of Dahlia Street under I-70 for bridge construction
- Continued closure of Monaco Street under I-70 for bridge construction
- Continued rebuilding of the Quebec Street and I-70 interchange

EAST AREA (Between Quebec Street and Chambers Road)

- Continued overnight restriction of highway lanes and ramps to I-70 between Quebec Street and Chambers Road for paving

These activities are weather-dependent and subject to change.
