

SLOW FOR THE CONE ZONE

Allow ample space

between you and the car in front of you.

Obey posted speed limits

on I-70 and drive without distractions.

Look for signage

to direct you through detours.

Move over

for emergency vehicles or crashes.

Watch for flaggers

directing the flow of traffic and pedestrian(s) crossing.

Watch for construction workers;

drive with caution.

Don't cross solid lines

when changing lanes.

Turn on headlights

so workers and other drivers can see you.

Be especially alert

at night and during adverse weather conditions.

Expect delays,

especially during peak travel times.

Anticipate lane shifts,

and merge when directed to do so.

Know Before You Go —

prepare your route ahead of time.
