

PEDESTRIAN SAFETY

Stay away from construction equipment

even if it is not on.

Public access is prohibited

in the construction zone at all times.

Be aware of equipment

moving in and out of construction zones.

Watch construction activities

from a safe distance.

Avoid going near holes

in the ground.

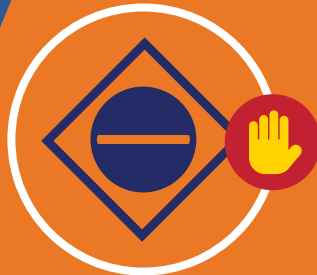

Look both ways

before crossing the street.

Look for signs

that are obstructing a crosswalk or say a sidewalk is closed.

Hold hands

when walking with young children near the construction zone.
