Thank you to all of the sponsors who made today's event possible!

If you know people who were unable to attend today's event, please share this link -- bit.ly/C70event -- where they can experience the "More than an Interstate" exhibit online. Thank you for attending and don't forget to connect with the Project team!

PROJECT COMPLETION

Traffic will be in final configuration by late 2022 with landscaping, installation of park elements and additional punch-list items continuing through early 2023.
