

EDWARDS INTERCHANGE PROJECT UPDATE

For the week
of April 12, 2010

**We're the only people in the Vail Valley
not loving all this great spring snow!**

*ACC's work throughout the month of April will look
about the same each week with traffic shifts, striping
operations and earthwork on the North side.*

ACC's work next week - and through the month of April

- Traffic will be shifted to the west side of the Edwards Access Road and the south side of Miller Ranch road. Traffic will be reduced to one thru-lane in each direction (auxiliary turn lanes will remain). Access at Wendy's and Shell will not be disrupted.
- Crews will be striping for temporary lanes on the eastbound off/on ramp and the westbound off-ramp.
- Construction will be focused at the north side of Miller Ranch Road, drainage work at Berry Creek, and at the east bound on-ramp to I-70.
- Traffic signals will be adjusted to accommodate traffic flows.

BASIC PROJECT INFORMATION

Project schedule: March 15 - November 19, 2010.

Traffic Impacts: There will always be one lane of thru traffic on Miller Ranch Road and the Edwards Access Road going in each direction during peak hours, plus auxiliary turn lanes. Peak hours are 7-9 a.m. and 4-7 p.m. Monday through Friday.

Funding: This project is funded by the American Recovery & Reinvestment Act of 2009.

Public Information Hotline: 970-949-1102
