

# EDWARDS INTERCHANGE PROJECT UPDATE

For the week  
of May 17, 2010

*The 10 day forecast may  
just go our way this week!*

- ACC is looking forward to a week without snow or sleet so productivity should be high.
- Traffic will remain on the west side of the Edwards Access Road and the south side of Miller Ranch road. Traffic has been reduced to one thru-lane in each direction (auxiliary turn lanes will remain).
- Crews will be install Shotcrete walls under the viaduct.
- With the first row of the retaining wall along the eastbound on-ramp in place, you should see great vertical progress.
- Work continues at Berry Creek.

## BASIC PROJECT INFORMATION

**Project schedule:** March 15 - November 19, 2010.

**Scope:** Construction of four roundabouts: Two at the I-70 interchange, one at Miller Ranch Road & Edwards Access Road, and one at the intersection of Berry Creek/Beard Creek Roads. Work also includes bike/ pedestrian paths along much of the corridor.

**Traffic Impacts:** There will always be one lane of thru traffic on Miller Ranch Road and the Edwards Access Road going in each direction during peak hours, plus auxiliary turn lanes. Peak hours are 7-9 a.m. and 4-7 p.m. Monday through Friday.

**Funding:** This project is funded by the American Recovery & Reinvestment Act of 2009.
