

Edwards Interchange Project Update September 9, 2010

**Berry Creek will Reopen, EB
On-Ramp will Close and Night-
work will Continue - BE ALERT!**

-Berry Creek Road will re-open for traffic this week and the first roundabout is complete!

-Crews will continue to work night shifts from 7 p.m. - 7 a.m. south of I-70 Monday - Friday. Expect single lane closures during this time on Edwards Access Road from the intersection Miller Ranch road to the east bound on/off ramp intersection.

- The east bound on-ramp will be completely closed for 5 days, as allowed in our contract. Access to EB I-70 will be available through Avon (mm 157) or Wolcott (mm 157). This closure should occur later in the week - the specific day will be defined by our progress. PLEASE WATCH THE VARIABLE MESSAGE BOARDS FOR MORE INFO.

- Access/Egress to the Wendy's/Shell station is limited to Miller Ranch Road but should return to normal next week.

- Backups on I-70 likely at Exit 163 during non-peak hours. Commuters should consider an alternative exit from I-70 from 9 a.m. - 4 p.m. to avoid delays.

BASIC PROJECT INFORMATION

Project schedule: March 15 - November 19, 2010.

Scope: Construction of four roundabouts: Two at the I-70 interchange, one at Miller Ranch Road & Edwards Access Road, and one at the intersection of Berry Creek/Beard Creek Roads. Work also includes bike/ pedestrian paths along much of the corridor.

Traffic Impacts: There will always be one lane of thru traffic on Miller Ranch Road and the Edwards Access Road going in each direction during peak hours, plus auxiliary turn lanes. Peak hours are 7-9 a.m. and 4-7 p.m. Monday through Friday.

Funding: This project is funded by the American Recovery & Reinvestment Act of 2009

Public Information Hotline: 970-949-1102
