

PROJECT UPDATE: I-70 Floyd Hill to Veterans Memorial Tunnels ("VMT").

With Propositions 109 and 110 not passing in November 2018, there is no identified construction funding for the project. The I-70 Floyd Hill to VMT Project is still a priority for CDOT.

The new CDOT Executive Director, Shoshana Lew, has been appointed. She is being briefed on all CDOT projects (statewide) and evaluating next steps and funding options for Floyd Hill and other projects.

The Proposed Action as recommended to date has not changed. To view the current Proposed Action and information to date, please visit the project website.

Key project design tasks, including geotechnical exploration, tunnel feasibility, and wildlife crossings, are still advancing. The Project Team is proceeding with documenting Existing Conditions for the Environmental Assessment.

If you have questions, comments, or would like to schedule a small group meeting with CDOT, please e-mail cdot_floydhillproject@state.co.us or call (303) 512-4408.
