Daytime mobile lane closures, shoulder closures, and reduced speeds during this work taking place from the Utah border to just east of Glenwood Springs

**I-70 Cable Rail and Guardrail Improvements**  
*April - November 2022*  
Single lane and shoulder closures

**Vail Wildlife Fencing**  
*August 2022 - Summer 2023*  
Shoulder closures and speed reductions

**Vail Pass Rest Area Replacement**  
*May 2022 - October 2023*  
Rest area and bathrooms closed

**I-70 Parachute to Rulison Repaving**  
*April - September 2022*  
Daytime single lane closures

**Glenwood Canyon**  
Multiple projects in summer 2022 with single lane closures

- I-70 Glenwood Canyon Emergency Project  
*May - Fall 2022*
- I-70 Rockfall Fence Repairs & Improvements  
*December 2021 - Summer 2022*

**Safety Closures**  
If an I-70 safety closure longer than two hours is required in Glenwood Canyon, motorists should use COtrip.org to plan an alternate route.

**I-70 West Vail Pass Auxiliary Lane Project**  
*Summer 2021 - Fall 2025*  
Single lane closures, narrowed lanes and shoulders and a recreation trail detour

Utah
